

# SAVAGE GULF EAST TRAIL AREA MAP

Distances are measured from trailhead to next trail junction, or trail junction to next trail junction.

*Remember to double your hike time for a round-trip!*

Trail colors match the colors of trail markers you'll find every 1/4 or 1/2 mile on each trail.

Use the location code on trail markers to report your location if you are injured, lost or need emergency help.

- Savage Day Loop Trail
- South Rim Trail
- North Rim Trail
- North Plateau Trail
- - - Easy trail
- · - · - Moderate trail
- · · · · Strenuous trail
- Trailhead
- ▲ Trail Junction
- Landmark/Point of Interest
- Trail Mile Marker
